Services available for all individuals regardless of insurance coverage. Adult and pediatric patients welcomed.

Questions about referrals or services? Contact us at telehealthsupport@hcmc-tn.org or at (731) 644-8300.

What is the GrowWell Telehealth Network?

The GrowWell Telehealth Network was formed through HRSA funding from a Rural Health Network Development grant in 2020 for the Paris and Henry County Healthcare Foundation, Inc.. Its goal is to increase access to quality, affordable healthcare and specialty services via telehealth throughout West Tennessee.

Partners include:

- Henry County Medical Center
- Hardeman County Community Health Center
- Lifespan, Inc.
- Uniti Health
- Dietitian Associates, Inc.
- Le Bonheur Community Health and Well-Being

Referrals are simple and straightforward, allowing you to provide access to additional services for your patients through telehealth. Interested in partnering to provide telehealth services within your clinic? Contact us at telehealthsupport@hcmc-tn.org or at (731) 644-8300.

Who are Dietitian Associates, Inc.?

Dietitian Associates, Inc. was founded in 1995 by Dee Pratt and Linda Pennington, both Registered Licensed Dietitian Nutritionists (RDNs). Their staff of RDNs provides nutrition counseling to individual patients with most nutrition related diseases including children, adolescents, and adults of all ages. They are nationally recognized for their work in reimbursement for nutrition services and Tele-Nutrition using HIPAA approved encrypted technology.

For more information, you can visit their website at www.dietitianassociates.com.
